6TH GRADE T.R.E.E.S. NEWS FLASH

The purpose of a newsletter is to provide specialized information to a targeted audience. A school newsletter can be a great way to develop a strong relationship with parents.

First choose a short title for your newsletter— something like "School News," or "Back to School." As you choose the title, also take time to think about the newsletter's theme. What important messages do you want to

send parents and families?

Next, establish how much time and money you can spend on your newsletter. These factors will help determine how frequently you publish the newsletter and its length.

Use the body of your school newsletter to keep parents apprised of major assignments and class events, as well as of any school district news.
